Jennah, I spoke with Deanna. She plans to put what is available on FOIAonline for Dupont onto a CD and give it to you. Thanks Deanna!

Importance: High

The information is under FOIA EPA-R6-2013-001346. Fran you had a CD that had additional documents on it then what I uploaded into FOIAonline (I think?) plus CBI documents (they can't have). I can refer them to the mentioned request in order not to reproduce paper and/or CDs??? Jennah, please advise. Thanks

We have a reporter requesting a copy of the disk that we prepared with documents for DuPont Orange. Jennah Durant needs a copy of the disk(s) we provided earlier asap. Let me know. Thanks.
